

BLOCKADE

Retractable Belt Tape Barriers

Connect belt tape in any combination of posts and wall mounts to control pedestrian traffic indoors.

Retractable Belt Tape Barriers are a perfect solution when you need to direct the flow of pedestrian traffic inside your building or facility. Post and Wall Mount Barriers provide an array of options for temporary placement – stand posts or mount the belt tape dispenser on the wall in the selected area when floor space is at a premium.

Post Barriers

- 2 1/2" diameter x 38"H with 14" diameter weighted base
- Available as Post Barrier with Belt Tape or as Receiver Posts (without belt tape)

Belt Tape

- Woven polyester tape, wound in a self-tension, spring-loaded unit
- 2"W tape extends up to 8-ft. – with straight tension without sag or slack
- Retracts smoothly back into the head unit for storage
- Safety mechanism in the spring-tension reduces the whip action of the belt braking, in case of accidental release

To order, add belt tape color code after part number: Black – BK, Yellow – YL, Red – RD

Post Color	No.	Price / Each
Brushed Steel	PRB841	\$112.85
Black	PRB842	112.85
Yellow	PRB843	112.85

Receiver Posts

Use at the end of an extended Belt Tape Barrier. Available in the same finishes as Post Barriers. Receiver Post head unit **does not** contain Belt Tape.

To order, add color after part number: Brushed Steel – BS, Black – BK, Yellow – YL

No.	Price / Each
PRB846	\$90.45
