

# BLOCKADE

## Stackable Posts

Build a stackable stanchion post to fit your specific height and color requirements.

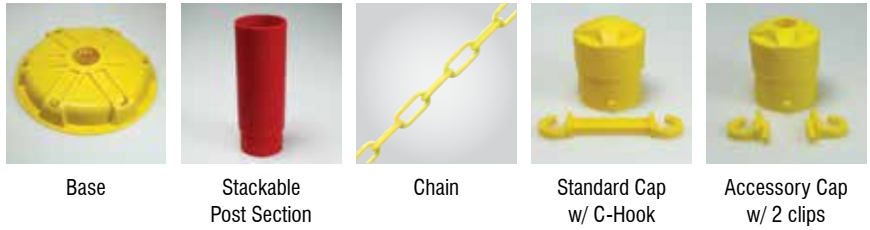

- 3" diameter sections interlock to create alternating color posts
- Individual sections are 6 7/8"H with 1 1/2"H connecting sleeve
- Standard stanchion post height requires five sections
- Sections are easy to set up, break down, and transport

### How to Order:

- Select Base
- Determine number of Sections and colors  
Add color code after Section part number: Yellow – YL, Red – RD, Black – BK, Green – GN, and Magenta – MG
- Choose chain color and specify length
- Choose the type of Cap

Item	No.	UOM	Price / UOM
