

**9-486...1P**

**ERGO™ Round Shaped Handles  
for Shaped Files - 1 Pck Carded**

## PRODUCT DETAILS

- File handle developed according to the scientific ERGO™ process
- Shaped end on the ERGO™ handle 9-486 has been designed for files of rectangular shape (round, square, three square, etc.)
- Our file handles are ergonomically designed, following the Bahco ERGO Process, to reduce muscle tension and the risk of injury
- The hard polypropylene core, covered with a thermoplastic elastomer, provides a comfortable non-slip grip, and the handle's smooth contours fit into the hand naturally
- As a safety feature, the handle covers the tang and shoulder completely to prevent the hand from slipping off the handle onto the file blade
- Single pack Carded
- Look at the file handle selection guide to find the suitable handle for your file
