

PRODUCT GUIDE | 2017

WHAT WE DO

Harper Brush has been making brushes and brooms in America since 1900. Based in the heart of America, Harper's Fairfield facility in Iowa uses **quality components** to build products that **stand the test of time**. Known for their trademark painted ends on their brooms, Harper products are easily identified by people who know quality craftsmanship. As a member of the Horizon Global family of brands, Harper has the heritage and quality to provide brooms and brushes for heavy duty users across the globe – for durability YOU can rely on, choose the painted ends!

Our extensive line of high-quality, heavy-duty cleaning tools meet the needs of any customer. Whether the cleaning project is light dust or gravel, liquids or sludge, Harper® has the right tool to tackle the job.

DURABILITY PROS RELY ON

Tough, reliable and hardworking, every product we manufacture is “Pro-Perfected”. Manufactured in the USA, our products have the features that set the bar high when it comes to quality and durability. Successfully combining old-fashioned quality with 21st century innovation, we’ve taken full advantage of technological advances to streamline business operations and enhance our products while continuing to focus on how it all began—an American reputation steeped in quality and integrity to create Durability Pros Rely On.

UTILITY BRUSHES

Whether it's a large, small or difficult-to-reach area, Harper® utility brushes feature a variety of quality synthetic and natural fibers for every cleaning need. Our extensive assortment includes everything from handheld scrub brushes and outdoor deck brushes to indoor counter brushes. From gentle light-duty washing to detailed cleaning and acid-resistant brushes for heavy duty scrubbing, Harper has a Utility Brush for every cleaning need at home or in an industrial workplace. Each is constructed with quality materials tested and engineered to meet the demands of a professional, and feature an ergonomic, easy grip block or our patented finger-groove handle for quick, efficient and comfortable cleaning.

WASH BRUSHES

Built to remove the toughest grime, but soft enough to use on the finest finishes, Harper® wash brushes are made to retain water and perform well when immersed for long durations even when used with the harshest cleaning solutions. Available with a variety of fiber bristle types for multiple uses — best-in-class nylon, premium polyester, or gentle polystyrene. Designed for commercial uses or when cleaning RVs, trucks, motor homes, windows, siding and more. So, whether it's a large area or a hard-to-clean space, Harper has a wash brush to fit any cleaning need to get the job done right.

BROOMS

Corn Brooms

Angle Brooms

Upright Brooms

Harper has three families of quality brooms to choose from, each designed and engineered to get the job done right. Need to sweep up pet hair and crumbs in the kitchen? Doing spring clean-up in the garage or outside on the patio? Need to do some detailed cleanup on the job site? No matter what the location, the surface or type of debris, there's a Harper broom designed to meet the challenge- at home, in the yard, or on the job site.

ENGINEERED FOR PROFESSIONAL DAILY USE

CORN BROOMS

- High-quality, reinforced construction
- Head will not loosen or twist
- Use in wet or dry conditions
- Indoor and outdoor cleanup

Part No	Description	Qty/Pkg	Package
H100	Heavy-duty professional grade corn broom	4	Bag with label
7020	Janitor broom	6	Bag with label
469	Warehouse broom	6	Bag with label

★ H100

- Professional strength and sweeping power, 100% corn broom
- Extra large 18" sweeping face

PUSH BROOMS — UNBREAKABLE

HARPER'S® Unbreakable push brooms feature a tough connector that takes an impact better than other connector types that can bend, twist or break. The patented design is light weight and absorbs shock to greatly reduce back and wrist strain, allowing for quicker and easier clean up. Just like all other Harper cleaning tools, there's a bristle type to match any condition or surface – indoors or outdoors, wet or dry, rough or smooth.

INDOOR • DRY DEBRIS

- Durable, lacquered, pre-drilled block will accept an Unbreakable Connector or Contractor Grade Bolt-On Connector
- Soft, split-tip synthetic bristles
- Sweeps fine, dry dust and debris such as sand, saw dust, wood shavings, and pet hair
- Use indoor on dry, smooth surfaces
- Ideal for warehouses, body shops, offices, schools, hospitals and garages
- Assembled push brooms come with a 1-1/8" x 60" wood handle with an Unbreakable Connector and comfort end grip

PUSH BROOMS — CONTRACTOR GRADE

HARPER'S® Contractor-Grade Bolt-On Connector push brooms are ideal for cleanup around the garage, basement, barn and warehouse. Featuring a lacquered, pre-drilled block that accepts a strong, heavy-duty bolt-on connector and steel brace for reinforcement, they can sweep everything from fine, dry dust to mid- to heavy-weight debris. Select from a variety of bristle types for cleaning wet or dry material on smooth or rough surfaces, whether it's indoors or outdoors.

INDOOR • DRY DEBRIS

260	24" All-purpose dry debris push broom, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve
260A	24" Assembled all-purpose dry debris push broom with steel brace	4	Label

INDOOR/OUTDOOR • WET AND DRY DEBRIS

- Structural resin block with built-in squeegee – patented design
- Threaded hole block will accept any standard threaded handle
- Dual bristles for maximum cleaning power
- Stiff interior bristles dislodge stuck on dirt and debris
- Fine outer bristles pick up small particles
- Sweeps dirt, soil, mulch, grass, gravel and Oil Dri®
- Use indoor or outdoor in wet or dry conditions
- Ideal for seasonal clean-up, plants, patios, garages, and sheds
- Squeegee for liquid, muck, sludge, and wet debris removal
- Assembled push broom comes with a 60" x 15/16" powder-coated metal handle and steel brace

1524A-1

1525SC

Part No	Description	Qty/Master Carton	Package
1525SC	24" Multi-surface wet & dry clean up push broom with squeegee, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve
1524A-1	24" Assembled multi-surface wet & dry clean up push broom with squeegee and steel brace	4	Label

PUSH BROOMS — STRUCTURAL RESIN BLOCK

OUTDOOR • WET AND DRY DEBRIS

- Structural resin block; will not crack, warp, or bend
- Dual threaded hole block will accept any standard threaded handle
- Dual bristles for maximum cleaning power
- Super stiff interior bristles dislodge stuck on dirt and debris
- Stiff, fine outer bristles pick up small particles
- Sweeps dirt, soil, mulch, wet grass, wood and Oil Dri®
- Use outdoor on wet or dry surfaces
- Ideal for garage floors, driveways, patios, sidewalks, asphalt, and barns

Part No	Description	Qty/Master Carton	Package
304	18" All-purpose wet & dry clean up push broom head	6	Sleeve
261	18" All-purpose wet & dry clean up push broom, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve
305	24" All-purpose wet & dry clean up push broom head	6	Sleeve
264	24" All-purpose wet & dry clean up push broom, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve

- Structural resin block; will not crack, warp, or bend
- Dual threaded hole block will accept any standard threaded handle
- Stiff sweeping synthetic bristles
- Sweeps heavy mulch, gravel, dirt, rocks and Oil Dri®
- Use outdoor on rough wet or dry surfaces
- Ideal for job sites, seasonal clean-up, landscaping, and barns

Part No	Description	Qty/Master Carton	Package
688018SC	18" Rough surface push broom, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve
688024SC	24" Rough surface push broom, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve
267	24" Heavy-duty rough surface push broom with 4" bristles, side-clipped with 60" x 15/16" metal handle with threaded tip	4	Sleeve

FLOOR SQUEEGEES

Whether you're cleaning a pool deck or patio, garage or warehouse bay, Harper has a squeegee to move water, liquid debris, snow and slush. There's a tool designed for any task, from light duty for the home to heavy duty for professional daily use. Multiple materials and designs are available, making every job an easy one.

Unique to the Harper line of squeegees is the PowrWave® with its patented Fluid Control System. Liquids are moved forward in a powerful wave-like action, making cleanup a breeze.

ENGINEERED FOR PROFESSIONAL DAILY USE

HARPER

FLOOR SQUEEGEES

Fluid Control System

Pushes liquid forward better than conventional designs

Squeegee View

- PowrWave® patented design
- Dual sided, extra-durable rubber blades
- Gated squeegee creates a Fluid Directional Control
- 40% more effective than traditional squeegees at moving liquid forward
- Extra-strong plastic frame
- Best for semi-smooth to smooth surfaces indoors or out

Part No	Description	Qty/Pkg	Package
5324224A	24" Assembled PowrWave squeegee with 1-1/8" x 60" red tip wood handle	4	Label
1524224A	24" Assembled PowrWave squeegee with 1-1/8" x 60" wood handle	4	Label/Flag
5324224PI	24" PowrWave squeegee with 1-1/8" x 60" wood handle, brace - unassembled	1	Box
24224	24" PowrWave squeegee head	8	Label

- Twin foam curved blades
- Durable steel construction
- 1 1/8" x 54" hardwood handle
- Unbreakable connector flexes and bends
- Best for semi-smooth to smooth surfaces indoors or out

Part No	Description	Qty/Pkg	Package
574552A	24" Assembled curved foam squeegee with 1-1/8" x 54" unbreakable wood handle	3	Label

- Twin moss foam rubber blades
- Quality steel plated body and handle socket
- 15/16" x 54" hardwood handle
- Clears light and mid-weight liquid debris
- Best for semi-smooth to smooth surfaces indoors or out

Part No	Description	Qty/Pkg	Package
25322A	22" Assembled moss foam squeegee with 15/16" x 54" wood handle	8	Label

FLOOR SQUEEGEES

569

571

567

570

- Durable black rubber blade
- Plated, corrosion resistant steel construction
- Steel handle socket for tapered handles
- Attachment hardware included
- Best for semi-smooth to smooth floor surfaces indoors or out

Part No	Description	Qty/Pkg	Package
569	24" Curved rubber squeegee head	6	Label
571	36" Curved rubber squeegee head	6	Label
567	24" Straight rubber squeegee head	6	Label
570	36" Straight rubber squeegee head	6	Label

25018

25322

25330

- Twin moss foam quick-drying rubber blades
- Quality steel-plated body and handle socket
- Efficiently clears light- and mid-weight liquid debris
- Best for semi-smooth to smooth floor surfaces indoors or out

Part No	Description	Qty/Pkg	Package
25018	18" Moss foam squeegee head	10	Label
25322	22" Moss foam squeegee head	10	Label
25330	30" Moss foam squeegee head	10	Label

★ FLOOR SQUEEGEES - PROFESSIONAL GRADE, HEAVY DUTY

- Rubber blade, 1/4" inch thick x 3-1/2" wide
- Effectively cleans heavy debris on all types of surfaces
- Curved ends enhance debris containment

Part No	Description	Qty/Pkg	Package
24724	24" Curved double-edge rubber squeegee	6	Label
24824R	Replacement, refill blades for 24724	24	Label
24730	30" Curved double-edge rubber squeegee	3	Label
24830R	Replacement, refill blades for 24730	12	Label
H24736	36" Curved double-edge rubber squeegee	3	Label
24836R	Replacement, refill blades for H24736	12	Label

- Rubber blade, 1/4" inch thick x 3-1/2" wide
- Effectively cleans heavy debris on all types of surfaces
- Reversible blades extend squeegee life

Part No	Description	Qty/Pkg	Package
H24824	24" Double-edge rubber squeegee	10	Label
24824R	Replacement, refill blades for H24824	24	Label
H24830	30" Double-edge rubber squeegee	4	Label
24830R	Replacement, refill blades for H24830	12	Label
H24836	36" Double-edge rubber squeegee	4	Label
24836R	Replacement, refill blades for H24836	12	Label

- Dual moss foam blade, 3/8" thick x 3-1/2" wide
- Effectively cleans light and medium debris on smooth and rough surfaces
- Two reversible blades extend squeegee life and provide quick-drying action

Part No	Description	Qty/Pkg	Package
25524	24" Double-edge moss foam squeegee	6	Label
25524R	Replacement, refill blades for 25524	6	Label
25530	30" Double-edge moss foam squeegee	3	Label
25530R	Replacement, refill blades for 25530	6	Label
25536	36" Double-edge moss foam squeegee	3	Label
25536R	Replacement, refill blades for 25536	6	Label
25636	36" Curved double-edge moss foam squeegee	2	Label

- Hardwood handle for heavy duty moss foam floor squeegee heads
- Laquered wood

Part No	Description	Qty/Pkg	Package
248243H	1-1/8" x 60" squeegee handle	6	Label

MOPS

- 10" durable cellulose sponge
- Bonus scrub brush for removing stubborn dirt and grime
- Uses #308R replacement mop head
- Easy-to-rinse handle grip on 48" metal handle
- Convenient storage hang-up hole

Part No	Description	Qty/Pkg	Package
308	Household roller mop	4	Sleeve
308R	Household roller mop replacement head	6	Label

- 12" extra-large cellulose sponge
- Durable plastic construction with built-in scraper
- Uses #303R replacement mop head
- Easy-to-rinse handle grip on 48" metal handle
- Convenient storage hang-up hole

Part No	Description	Qty/Pkg	Package
H303	Butterfly mop	4	Sleeve
303R	Butterfly mop replacement head	6	Label
