

Retractable Defender® Visor

For MSA Cairns® Fire Helmets

Retractable MSA Cairns Defender Visor

North America's first (and still the best) NFPA 1970 and ANSI/ISEA Z87.1 impact-rated, integral visor. The Defender Visor was designed with firefighters in mind. The entire lens stows when not in use (so it can't be lost), and can be deployed the instant it's needed—even with a gloved hand. Replacement of the lens does not require special tools or disassembly of the helmet. All of these benefits make the Defender Visor the bestselling firefighting eye protection in the market.

Retractable MSA Cairns Defender Visor Features

- Eye protection stays clean inside the helmet until you need to deploy it for overhaul and non-IDLH search-and-recovery.
- Order with your new helmet or as a user-upgrade kit.
- Fast, easy raising and lowering, even with gloved hands.
- Easy removal for cleaning and replacement—requires no tools.
- Defender visors are compliant with NFPA 1970 and meet the impact requirements ISEA/ANSI Z87.1.
- Optically correct lens eliminates peripheral distortion.
- Fits with many sized prescription lens frames.
