GA3703 - Wire Mesh Face Shield - Not Z87+ impact rated GA3704 - Clear Coated Face Shield mounted to XR2 helmet Certified to optional requirements Z87+ & Anti-Fog (X).

The SEI Certification Mark may be used in the marketing, packaging and promotion of the model detailed above, in accordance with the provisions of the *SEI Certification Program Manual*.

Per the *SEI Certification Program Manual*, SEI shall certify the manufacturer's product model(s) and grant the right to use the SEI certification mark when 1) the Testing Laboratory has determined that the product model submitted and tested successfully meets the appropriate product standard, 2) the Quality Assurance Auditor has determined that the manufacturer complies with SEI quality assurance requirements through an on-site audit, including a review of the quality manual and procedures, 3) the manufacturer has paid all fees, and 4) product liability insurance requirements are met.

Following initial certification, SEI conducts annual follow-up testing on samples which are selected by SEI during the annual quality assurance audit.

Thank you for your participation in the SEI Certification Program. If you have any questions, please contact the SEI Office.

Sincerely,
