SLAP SHOT

Powerful, Fast-Acting Industrial Parts Cleaner & Degreaser

Slap Shot is an aerosol with a concentrated jet stream that quickly dissolves grease and grime on contact. Save time by cleaning faster with a powerful solution that evaporates quickly and leaves a residue-free surface, allowing you to move on to the next step in your process quickly.

Applications

For quickly removing:

- Grease & oil
- Adhesive & sealant
- Paint
- Resin
- Wax
- Plastic foil

Features

- Strong jet for maximum strength
- Residue-free
- Penetrates and displaces moisture
- Free of chlorinated solvents

Benefits

- Saves time
- Does not need to be removed from the surface after use

SLAP SHOT

Description	Size	Order No.	MSDS	Std Pkg
Aerosol	16.9 oz (500 mL)	53-C 502	L-39E	12
Sprayer	16.9 oz (500 mL)	53-C 503	L-40E	12
Liquid	1.3 gal (5 L)	53-C 506	L-40E	1
Liquid	5.3 gal (20 L)	53-C 507	L-40E	1
Liquid	52.8 gal (200 L)	53-C 508	L-40E	1

Accessories

Description	Order No.
Spout for 5.3 gal pail	53-L 211
Spout for 52.8 gal drum	53-L 208
Replacement trigger sprayer bottle, 16.9 oz	53-L 311

SLAP SHOT PL

An aerosol degreaser specially designed for compatibility with rubber and plastic.

Applications

- Cleaning in the presence of gaskets or plastic parts
- Cleaning of glass and lenses
- Cleaning gears, chains, cables etc.

SLAP SHOT PL

Description	Size	Order No.	MSDS	Std Pkg
Aerosol	13.5 oz (400 mL)	53-C 552	L-64E	12

Features

- Safe on plastics and rubber
- Residue-free
- Free of chlorinated solvents
- Penetrates & displaces moisture

Benefit

- Powerful enough to remove tough contaminants but safe enough to use on parts with gaskets or sensitive rubber components
