

Impact Rated Hex Drivers

Features and Benefits

- Manufactured from special alloy steel and heat treated for optimum strength and durability
- Snap-on® bits are designed with a precise fit and tight tolerances to prevent slippage and disengagement
- Outperforms one-piece design models – our two-piece design makes replacement economical and convenient
- Bits can be easily replaced by hand - no need to put them in a vice and punch them out with a hammer
- 3/8" drive sizes – 12mm, 14mm, 1/2" & 9/16"
- 1/2" drive sizes – 5/8", 11/16", 3/4" & 7/8"
- Optional retaining rings available for added protection
 - 2-1XS for 3/8" models
 - 4-1XS for 1/2" models
