

G10

INDUSTRIAL CLEANER & DEGREASER

SAVE MORE THAN 40% OVER LEADING NATIONAL BRANDS!

ALL THE MUSCLE, NONE OF THE HUSTLE!

Blue Chip G10 Industrial Cleaner & Degreaser offers unparalleled performance, cutting through tough messes and grease – offering all the powerful cleaning action of comparable products at a fraction of the cost!

Blue Chip G10 Industrial Cleaner & Degreaser is a ready-to-use non-flammable, non-corrosive concentrated heavy duty cleaner degreaser designed to remove medium to heavy industrial soils. Quickly and effectively remove grease, oil, carbon, or any other industrial soil from concrete, machinery, engines, floors, walls, work tables and more! Low foaming for use in automatic scrubbers and safe for indoor use – meets the maximum content requirements for Volatile Organic Compounds (VOCs) as established by State and Federal regulations.

WORKS GREAT ON:

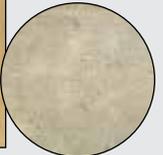

- Floors
- Walls
- Concrete
- Tools
- Grill Hoods
- Machinery

Remove grime & grease in minutes!

Before G10

After G10

EASY TO USE:

Apply by mop, sprayer, sponge, wipe, or automatic scrubber to surface to be cleaned and allow to stand for several minutes. For heavier soil, agitate briskly with a brush or aggressive pad. For normal soil, allow the product to do the work. Wipe clean with a moist rag, sponge or pick up with a wet-vac or mop. Where applicable; rinse thoroughly with water. These directions are flexible rather than specific. In many cases a more dilute solution can be used, while for extreme conditions a less dilute solution may be used. Ready to use or to dilute based on application.

DILUTE PRODUCT ACCORDING TO GUIDELINES BELOW:

FOR LIGHT SOIL AND GENERAL MAINTENANCE:

Use 4 oz. per each gallon of water.

FOR MEDIUM SOIL, KITCHENS, ENGINES, MACHINERY, CONCRETE, & WHITE SIDE WALL TIRES:

Use 13 oz. per each gallon of water.

FOR HEAVY SOIL:

Use 26 oz. per each gallon of water.
