

DAREX

WORLD'S BEST SELLING INDUSTRIAL DRILL SHARPENERS

SAVE TIME. SAVE MONEY.
INCREASE THE LIFE OF YOUR CUTTING TOOLS.

DAREX XT-3000 DRILL SHARPENER

The XT-3000 is available with an automated sharpening system. This system allows you to increase productivity by controlled cycle times and pre-drill set up. The XT-3000 Auto drill sharpener makes sharpening drills even easier. After aligning the drill, simply insert the chuck into the sharpening port and press start. The LCD screen displays valuable information and can be set to display in 5 different languages. You can purchase the automated sharpening system inclusive with a new XT-3000 or as an attachment to use to your current XT-3000 model. Shops that sharpen a variety of drill sizes and styles and want the advantages of a highly advanced automatic drill and tool sharpener.

- Cutting tool diameter: 1/8" – 13/16" (3–21 mm)
- Point angles sharpened: 118°–150° (90° option available.)
- Point styles sharpened: Standard conic and split point.
